Car parking – in pay parking areas off London Circuit (refer to map)

Disabled car parking – in pay parking areas off London Circuit. There is additional disabled car parking spaces in Nangari Street (off Allara Street) and Allara Street, both of which are close to Capital Clinic.

How to find Capital Clinic (if you can use stairs)

- Located off London Circuit (opposite the pay parking area)
- Mid-way between the “Waldorf Building: and “221 London Circuit” is a flight of stairs. Go up these stairs.
- At the top of the stairs you will see a courtyard. In the courtyard you will see many concrete hexagonal sculptures.
- Walk to the right, you will see “Capital Clinic” at the far end of the courtyard (on the right side). Capital Clinic’s sign is clearly painted on the front glass window of the clinic.

How to find Capital Clinic (if you need elevator access)

- Locate 20 Allara Street. Go into the building at 20 Allara Street. The elevators will be on your right.
- Go up to Level 4. Exit the lift. Exit the building (through sliding doors).
- Once you exit the building, you will see us on the left with “Capital Clinic” clearly shown on the front glass window.

IF YOU GET LOST – Contact the Capital Clinic on 6257 8900 and our friendly staff can direct you.
